# PHOTO/TECH PARTICIPATION RELEASE

CPC Children & Youth Programs are offered through a variety of memorable activities, which are sometimes recorded (through video-tape, photography, audio-taped interviews, and/or other electronic/digital means).

We often utilize these collected sounds, and images, at times when the memories are valuable motivators, such as during CPC Children & Youth Programs training or promotion.

Names are not purposely displayed unless those being photographed and/or videotaped are wearing identifying tags or clothing.

Please mark the applicable line below in regard to your willingness to allow your student to be photographed, recorded, video, and/or audio taped.

\_\_\_\_\_ I hereby give my consent for my child/youth to be included in any pictures, video/audio recordings, or other electronic means. I also give my consent for my child/youth's image, likeness, or voice, to be used in promotional materials and on the Church website, Facebook, and VIMEO.

\_\_\_\_\_ I hereby request that my child/youth **NOT** be photographed, videotaped, or interviewed for possible use in video/audio recordings or use on promotional materials, and on the Church website, Facebook, and VIMEO.
